Family Lunch Account Policy: Notifications will be given to students and/or emailed to parents each Monday for accounts that have a negative balance. Parents may also check lunch account balances through the JMC online parent access program linked to the school website (camcougars.org), and we encourage you to do so. When accounts reach a negative balance students will not be allowed to have seconds at breakfast or lunch unless they have the money in hand or until the account has a positive balance. Parents may also be notified as needed during the week if accounts become negative.
